Pre-Printed Membership Renewal Forms Included in This Issue

Your membership renewals are due on or before **March 31st**. Included in this newsletter centerfold is a pre-printed renewal form for your convenience. It conveys your information on record with CMCS.

The form has a new addition this year. Look for your disclosure consent status. The form also has provisions to allow you to easily revise your existing consent status, or file an initial disclosure consent if you have not yet done so.

On the back are more information on disclosure consent and a survey. The survey gives you an opportunity to convey to the Board what you would like to see changed, added or discontinued in Club operations.

You can really help the membership and database chairpersons by doing the following:

- Mark changes and mail it to CMCS with your check now, before you forget, or lose the pre-printed form. Waiting until the last minute makes it harder for everyone.
- PLEASE use the pre-printed form. It makes it much easier for membership chairs to see your markups, and is more accurate. We must have the form for tracking, even if there are no changes.

Jerry & Judi Harper's 1996 Corvette Convertible

(Retro Cover from OYM December 1996)

The cover for this issue is retro from the December 1996 *On Your Marquee* cover, featuring Jerry & Judi Harper's then new 1996 Corvette convertible. 1996 was the last year for the C4 series. They took delivery in late July or early August. The car was still on order when they joined the club in July 1996. Jerry owns this car today. (Judi passed away in November, please see the following page.)

This December 1996 cover was the 3rd color cover for OYM. When color first came about, the club usually did them only for the December issue cover due to costs.

Cloyd Jackson, the OYM editor of the era, used photoshop extensively to create composite scenes to backdrop the cover cars. You can bet that Jerry & Judi did not drive this car in the snow.

Following is the cover write-up from the 1996 issue.

*"Jerry and Judi Harper's Torch Red 1996 LT4 Roadster. The Harpers have had four other Corvettes, namely, a '72 roadster, a '76 coupe, an '89 roadster and a '91 white roadster. This '96 beauty has black leather sports seats, a black soft top, low tire pressure warning system, Delco/Bose CD sound system, a 6-speed transmission and the 330 hp at 5800 rpm LT4 engine. Jerry, does **Acceleration Slip Regulation** work pretty well in that snow? And how do you keep warm with the top down."*

Passings - Judi Harper

Jerry & Judi Harper joined CMCS in July 1996, having just bought a new 1996 Torch Red convertible.

This was their 5th Corvette.

They have participated in many car shows and other club events over the years.

March 24, 1942 - November 29, 2010

Judi passed away at her Burien home after a courageous battle with cancer. Judi was born in Seattle to Gordon and Mary Jacobson. She graduated from Queen Anne High School in 1960, and earned her degree at University of Puget Sound. Judi enjoyed a long career in the Banking and Mortgage fields, before her retirement in 1992. Judi had many lifelong friendships, and enjoyed her Barbie Collection and Miniature Crafting Clubs.

She is dearly missed by her husband and love of her life, Jerry Harper; her son, Mark Ballard, daughter-in-law Suann Ballard, mother-in-law, Inez and brother-in-law Don.

Her family would like to express their gratitude to Highline Cancer Center for the exceptional care she received.

A celebration of Judi's life will be held at Anthony's Home Port (Des Moines) January 15, 2011 from 1 to 4 pm.

In lieu of flowers, friends and family request donations be forwarded to Highline Cancer Center. www.Highline.MedicalCenter.org

Marque My Words

*by President
Al Dager*

Ho, ho, ho, and a bottle of eggnog!

I would like to wish all of our CMCS members a joyous and prosperous New Year.

We had a great time at the Christmas banquet on December 12. Terrific food, great company, and another round of Pirate Bingo brought to us through the efforts of Bill and Marty Cameron.

Our honored guest that afternoon was Chris Pillings, general manager of our esteemed sponsor, Lee Johnson Chevrolet. Chris was just as avaricious as the rest of us when it came to scavenging bags from others won by getting "Bingo" on their cards.

One bag in particular seemed to be the most desired of the bunch. It was from Fred Meyers' Jewelry Store. After the dust settled, Chris ended up with it, only to find that it contained a box of Stove Top Stuffing.

Sorry, Chris. We don't play no favorites when it comes to games.

But we do thank you for being such a great sport, and your team at Lee Johnson and the folks at Speedway Chevrolet for being such great sponsors.

Speaking of no favorites in a game, prior to the festivities a few of us would sneak peeks at the big screen in the adjacent banquet room that was airing the Seahawks-49ers game.

Boohoo.

Congratulations to Lorrie Montgomery who was selected by the Board of Directors to receive the Frank Olsheski Award for outstanding contributions to CMCS during the past year. Lorrie consistently works behind the scenes, offering her experience in the Club to help many officers and committee chairpersons fulfill their responsibilities. She has been an unsung hero who has now received the recognition she deserves.

It's always difficult for the Board to choose a recipient for this Award. There are many

people who could easily have been chosen, and Lorrie graciously acknowledged that fact in her acceptance speech.

Congratulations also to Bill and Marty Cameron who have been selected by the Board of Directors as our January honorees. A description of their contributions to the Club may be found elsewhere in this newsletter.

After the Christmas dinner we held our December General Meeting featuring a presentation by Jane Armstrong who revealed the meaning of FDF: Flannel, Denim, and Fleece, modeled by Doris Wagner, Les Wagner, and Mike Armstrong, respectively (not respectfully; I was wondering why Mike showed up at our dressy affair in a denim shirt, wrinkled, no less).

That's okay, Mike. We appreciate the sacrifices you and the others have made to make our upcoming Wet Weekend something special. We're looking forward to it and the cozy ambience that the FDF promo suggests.

Wet Weekend is evolving well, thanks to the MANY members who are stepping forward with ideas, and contributing in various ways. The planners have some unique events scheduled, one of which will allow us to show our Corvettes to kids from elementary through high school when we arrive in Coupeville on Friday February 21.

If you have not yet made your reservations at the Coupeville Inn, I suggest you do so right away. We expect to have all the rooms at the main inn filled. There are also some two-bedroom condos available that can be shared by two couples or whatever.

In this newsletter there is also a registration form for you to fill out and send to CMCS with your registration fee. Details on Wet Weekend are also to be found herein.

A reminder that nominations will be opened at our February general meeting. If you are interested in running for an office, or wish to nominate someone for an office, that will be your opportunity to speak up.

Besides elected officers we will need some people to step into committee chairperson positions. If you've never been involved with CMCS in either capacity, perhaps now would be a good time to get your feet wet. It's a great experience working with so many dedicated members who guide the Club.

The elected office positions open are President; Vice-President; Secretary; Treasurer; Two-Year Board/Activities Chairman.

We do have some candidates for each of these offices, but it would be fine if others are interested as well.

The new president will be appointing committee chairpersons, and it would be great to have a pool of interested candidates from which to choose.

Your present Board is working hard behind the scenes to propose some amendments to the Bylaws that should aid the Club in functioning more smoothly. We've taken a long, hard look at the Bylaws and have found a number of things that are outdated and/or lacking considering how the Club has grown and changed over the past several years. We will be publishing the proposed amendments in the February and March *On Your Marque*, and you will have an opportunity to vote on them, we hope, at the April general Meeting, or the next meeting when we have a quorum required by the Bylaws.

That's it for this edition. Thanks for taking the time.

CMCS Special Recognition - January 2011 Bill & Marty Cameron

The Board, at its August 2010 meeting, decided that some CMCS members deserved special recognition for the extra efforts they have made on behalf of the Club. They have worked, and often continue to work, in the background to head up ongoing and special

events and activities that we all enjoy. Last month the Board recognized Oran Petersen.

This month, the Board recognizes **Marty & Bill Cameron**.

Members since 2003, they jumped right in starting in 2004. Bill was Club Secretary for two years--2004-06, then Vice President in 2006-07, then Secretary again for 2009-10. So Bill has been a club Officer for four of his seven years.

Marty jumped right in to help when she started as Membership Committee Chair in 2006-07, and then went from there to chair the Charity program from 2008 on. As a part of her Charity Chairmanship, she manages our annual Toys for Tots, starting with contacting local schools to find families in need, getting the demographics of the families and organizing Club Member shoppers to buy toys and other items for those families.

Marty has efficiently organized our delicious Thanksgiving party as well for the last four years making sure there is plenty of Turkey, potatoes, dressing, desserts and all the other yummys for a truly sumptuous feast. Then for the annual Christmas banquet, Marty makes sure the banquet room is fully and suitably decorated to put us all in the holiday spirit, a responsibility she has done for the last several years. Of course, all those wonderful holiday table decorations that help add to the festiveness of the occasion too--many of those have been hand made by Marty for us all.

And let's not forget the Vettes for Vets rides; Marty rounds up a burgeoning supply of reading material and other items that find a welcome home at the Veteran's home in Retsil.

While much of what the Camerons do for CMCS now may be behind the scenes, wherever there is a need, you are likely to find one or both Camerons diligently working on our behalf.

Because of all you have both done and continue to do for CMCS, Bill & Marty, we extend our heartfelt thanks to you for your help and support of CMCS. You continue to make a huge difference in CMCS, and represent the best in us all; we really appreciate all you have done and continue to do for CMCS!

We would also appreciate all of you CMCS members thanking Marty & Bill for their contributions and be sure to congratulate them for this special recognition.

Let's all Save the Wave.

The Membership Tachometer

by Jean Dager

Lots of CMCS members attended the Christmas Party and General Meeting held at the Muckleshoot Casino on December 12. It was a really warm and friendly event ... everyone enjoying the festive decorations the Casino provided as well as the table décor tastefully done by Marty Cameron and team. The buffet meal was scrumptious, socializing was superb, and the Pirate Bingo Game added to the glee of the day. Thanks to Bill & Marty for their efforts in choosing just the right trinkets for the Pirate Bingo game that everyone enjoyed stealing from each other! We had a short General meeting which was appreciated. There were no new members in December Membership is **257**.

CMCS General Meeting Minutes

December 12, 2010

Muckleshoot Casino - Auburn

By Mary Stanfield

The meeting was called to order at 3:24 pm by our President, Al Dager.

Secretary: Mary Stanfield asked if there were any additions or corrections to the published minutes of our last meeting. There were no changes and the minutes were approved as published.

Treasurer: Bob Renner reported on the club finances. We are on track with a successful year. The budget has been met. Bob suggested the members continue to invite other Corvette owners to join the club.

Club radios are available for our cost - \$204.

Membership Chairman: Jean Dager - we have 258 members.

Activities Chairman: Mark VerMurlen - Save these dates for our next general meetings:

- January 15, 9 am, Old Country Buffet in Factoria
- February 5
- March 12 - dinner & officer installation at Shawn O'Donnell's American Grill & Irish Pub in Everett.

Nominations: we have nominees for:

President - *Steve Yabroff*

Vice President - *Terry Myers*

Secretary - *Tim Quenzer*

Treasurer - *Lyal Schlotterbeck*

2-yr. board member - *Oran Petersen*

Charity: Marty Cameron - The

Thanksgiving auction was a success. Money from this is stored for next year's charities. CMCS has sponsored two Redmond families with Christmas gifts. A Toys for Tots delivery was also made.

Al recognized Oran Petersen, our December Honoree, with many thanks for his work for the club. In addition to many, many contributions to CMCS, Oran has published On Your Marque since 2003.

Membership Dues: The rationale for past dues "per household" was reviewed. Last year the Club voted to increase the dues for single members to the same as that for couples based on the idea that it costs as much to provide services for any household regardless of the number of members. At that time, our insurance carrier charged us per household. That has changed, and now we are charged per person.

The Board of Directors decided at our November meeting, that dues should not be based on anything other than the benefits of membership in general. It was therefore recommended that 2011 dues be \$50 per couple and \$45 for single members. Discussion was asked for. There were no comments or suggestions. A motion was made and seconded and passed to accept this proposal.

Al announced that the recipient of this year's Frank Olsheski Award is Lorrie Montgomery. Thank you, Lorrie for your outstanding contribution to the success of the Club.

Parades: Jim McDonnell thanked members for this year's help with the increased need for Seafair parades. He will be looking for convertibles for future parades.

The 50/50 raffle brought in \$96 for our scholarship and \$96 for the winner, **John Henderson**.

The meeting was adjourned at 3:50 pm. CMCS Secretary, Mary Stanfield

Charity - Christmas Event Report *by Marty Cameron*

Eleven corvettes (6 Red) and 20 Santa volunteers showed up Saturday morning December 11th to deliver gifts to 2 families and Toys for Tots.

The kids were older this year, so Santa didn't actually deliver the gifts; just his elves: Mary and Frank Stanfield, Doris and Les Wagner, Dennis and Lorrie Montgomery, Gary and Kayla Main, Butch and Carol Feveryear, Mona Cox, Jan Harris, Ken and Joyce Jones, Steve and Jean Yabroff, Bill and Marty Cameron and Ken and Jean Fiorentino.

The first family was so overwhelmed they pretty much stayed outside on the sidewalk picking their favorite color of Corvette. The second family wanted to know if we "rented" the Corvettes for delivery. Also, while delivering the gifts to this family a male teenager heard the commotion, came down the hall wearing only a towel, saw strangers and did a quick retreat. Guess he wasn't expecting Santa so early in the morning (11:30 am).

A great lunch was enjoyed by all at Coho's Restaurant.

Thank you to all CMCS members and the for your support at the Thanksgiving Buffet/Dee Ann Esping Charity Auction which made this all possible.

Merry Christmas and a Happy New Year to all of these wonderful elves for a job well done in putting a smile and making Christmas wishes come true.

Two families were recipients of the CMCS Dee Esping Christmas Charity this year, in addition to a CMCS donation to Toys for Tots.

2011 Corvette Hall of Fame Inductees Announced

The National Corvette Museum is pleased to announce the 2011 Corvette Hall of Fame Inductees. Each year individuals are selected in

the areas of GM/Chevrolet, Enthusiast and Racing... and this year we have three outstanding examples of these areas.

Ron Fellows - Racing

Ron's impressive skill as a driver for the Corvette Racing Team has earned him the respect of Corvette fans everywhere. His 27 wins, three ALMS championships and two wins at the 24 Hours of Le Mans, along with his unprecedented four consecutive "Most Popular Driver" awards from ALMS fans, testify to his track record of success.

Although he has not raced for the factory team since 2008, he remains one of the most recognizable, respected and popular personalities to ever represent Corvette's racing heritage. As evidence of his enormous popularity, GM paid tribute to Ron by creating the "Ron Fellows ALMS GT1 Champion Corvette Z06" in 2007.

Clare "Mac" MacKichan - GM

Mac was instrumental to the design and success of all Chevrolets in the mid-twentieth century. In his position as Chief Designer of the Chevrolet Studio, General Motors Design Staff, he was directly responsible for the design of all of the Corvettes from number one, through the 1950s and early 1960s. It was under his guidance that the 1954 Waldorf Show Corvettes were designed. In addition to his position as Chief Designer for Chevrolet, Mac also served as Director of Design for GM's Adam Opel AG in Germany, and later as Executive in Charge of Advanced Design and Engineering for Design Staff. While he didn't always work on the Corvette brand, he continued to own one and participate in many Corvette activities - appearing and speaking at car shows and events all over the country.

Ray Quinlan - Enthusiast

It's fair to say the Museum might not be where it is today without the support of NCM Lifetime Member No. 001, Ray Quinlan. When the idea of a Corvette Library & Archives first came about, it was Ray who came forward and said he would donate his 1953 Corvette if the plans would incorporate a Museum... a place to house not only historical documents but also artifacts and cars. Memberships were the sole means of raising money in the early days, and Ray was right there, joining at the beginning. While Ray owned a number of collectible cars, Corvettes were his passion. He was a member of the Corvette Club of Illinois and active with the National Council of Corvette Clubs and National Corvette Restorers Society. Today, every visitor passing through the halls of the Museum hears the story of Ray and how his donation started the Museum.
