The Saturday Socials are Back

Coordinator: Oran Petersen

As Stan, our President, discusses, fall is in the air and on the calendar. Most of our club driving events are behind us until Wet Weekend in February 2013

But we can still do things that many of us do well; Meet, Eat and Talk. So we have again scheduled *Saturday Breakfast Socials at the Plum* (The Plum Delicious Restaurant on Highway 900 in Renton). See *Upcoming Activities* for more details.

If anyone would like to set up a north end or mid range social to avoid longer drives, contact me for details. Oran@CorvetteMarqueClub.com.

Our 1975 Corvette.

On January 18th, 2012 I got on an airplane to check out this 1975 Corvette roadster in Wausau, WI. 46,000 original miles, 4 speed with a/c-p/w-t/t and one of only 404 built in Steel Blue. I flew to Chicago where I met my Dad and ask him if he wanted to drive up to Wausau to look at this Corvette? He was very excited and we left for our 5 ½ hour drive to Wausau the next morning. As we got near Wausau, the temperature outside was minus 8 degrees, yes we are looking at a Corvette ROADSTER

and the temp is minus 8 degrees. Something is wrong with this picture. We met the gentleman that was selling the car The big question was, do I test drive it, as there is 3'' of snow on the ground. He drove me up the block back to the barn. It ran great and looked great so we went to lunch to discuss price.

After lunch I made an offer and now I own this Corvette. So!!! I departed Wausau in my new/old 1975 Corvette at 4:00 pm with the sun still bright but minus 8 degrees. I followed my dad back to Chicago to his home, 5 ½ hours back. Believe it or not we made it and it drove fantastic.

I told my Dad thanks for a fantastic day and left the Corvette in his garage 'till spring. We then made arrangements to fly back to pick it up and drive it back to Seattle.

When spring came my Dad took the car out for a few weekend drives and as he says, don't call me I am out on a Corvette run today. He loved driving it around keeping it warmed up for us.

We had the Corvette inspected at Corvette Mike Midwest in Burr Ridge, IL. They did a great job getting it ready for our drive back home.

On June 21st I flew into Chicago to start our journey home. But first things first; we took the car to the 2012 Bloomington Gold event for 2 days. My uncle belongs to the Fox Valley Corvette Club. so we mingled with the Club members. They were excited to have someone from the CMCS club visiting them.

My wife flew in to Chicago on June 25th to meet me. We started our journey back to Seattle on the 29th of June. Spent 7 days on the road and had a wonderful time driving our New/Old Corvette home. The best part of this journey is my wife and I got to spend quality time together talking (Radio did not work) about this trip we made in 1978 when we got married and moved to Seattle. So we retraced our route some 35 years later and made a great road trip of it.

Well? Yes we made it back home with our 1975 Corvette and it ran great! We are very excited with our new purchase as it brings back some many memories from when I bought my 1st new 1976 Corvette 36 years ago.

A View Through The Split Window

*by President
Stan Trask*

Fall is finally here and who knew we would go almost 50 days without rain in Seattle? What a great string of Corvette driving days! Unfortunately, all good things must come to an end and we will reluctantly get ready for the “rainy season” and put our precious Corvettes to bed for the winter!

September was a great month for CMCS and we owe a huge THANK YOU and WELL DONE to Terry and Karen Myers and the entire Seattle in September Committee for all of their hard work and dedication in making the 2012 version of this great event one of the best ever!

Kudos also to Gary and Kayla Main for heading up the CMCS contingent for another Vettes for Veterans on September 29th!

October will be highlighted by our October General Membership Meeting and ever popular Pizza Feed at Speedway Chevrolet on October 20th. Details can be found in this edition of the CMCS Newsletter. As much as I hate missing out on a good piece of pizza, yours truly will miss the October festivities as the First Lady and I will be at 30,000 feet winging our way back from the Hawaiian Islands that day, but the meeting will be left in the capable hands of our Vice President, Lorrie Montgomery.

Shortly after our return, we will be full steam ahead working on our November 10th Annual Thanksgiving Potluck Dinner, Charity Auction and General Membership Meeting. Details on this event can be found in this newsletter. Please give careful consideration to not only attending this great event, but to donating an auction item for the always popular and exciting

Charity Auction benefiting the Dee Esping Charity Fund. This auction is the primary funding source for all of the great charity work done by our club during the Holidays, so please help us make this Holiday Season a little brighter for those in need.

Details for our CMCS Christmas Party to be held on December 8th are being finalized, so mark your calendars now so you don't miss this great annual event. This year, all CMCS members in attendance will have the opportunity to help select this year's recipient of the prestigious CMCS Olsheski Award by casting your vote at the General Membership Meeting during the event.

Thanks to all CMCS Members who participated in all of our great events this past summer, showing the world what a great club CMCS is! As we ready our cars for another long Northwest Winter, please remember our Sponsors, Lee Johnson Chevrolet and Speedway Chevrolet and thank them for their support of our club with your business!

Billi and I look forward to seeing everyone on November 10th and December 8th as we kick off a joyous Holiday Season!

The Membership Tachometer by Dennis Montgomery

We welcomed new members Ray and Cindy Francis at the September meeting. Cindy could not be at the meeting so we will meet her later. Membership is now **235**.

Ray and Cindy Francis live in Mukilteo, having moved there from Dallas, Texas. They have three grown children and 9 grandchildren, all of whom live in Florida and Missouri. Ray works for Boeing now and was with American Airlines in the past. They have a beautiful **1995 Competition Yellow Coupe** and are looking forward to participating in CMCS events and activities. They were members of the Kansas City Corvette Club and are looking forward to showing their C4 here, as they did in Kansas City.

Welcome to the club Ray and Cindy!

SIS 2012 - Event Report

SIS 2012 is now behind us. The event was a success for both participant appreciation and financially. As a recap:

- SIS 2012 was held September 7th through September 9th.
- 69 Corvettes registered for the event.
- A Majority of the registered Corvettes attended the Show & Shine at Factoria Mall.
- Many took the poker run from the mall to the hotel.
- About 120 participants took the cruise to Tillicum Village on Blake Island for the salmon dinner.
- About 22 valve cover racers competed in the Friday evening races.

For [Valve Cover Race Results](#), click the link or go to Downloads on the CMCS Web site.

The grand prize of \$1000 in a lock box was won by CMCS members Bill & Marty Cameron.

Thunder under the Sun by the BC Corvette Club - Event Report by Paul Luczyk

Four cars attended the event at Sun Peaks Resort, maybe 75-100 miles east of Whistler. The Luczyks, Turis, Byron & Linda and Gene Kinnunen enjoyed the beautiful drive up, 325 miles from Everett, Friday morning. After checking into our room in the Delta Sun Peaks Hotel and relaxing for awhile we joined the evening "meet and greet" with some food and adult beverages in one of the hotel banquet rooms. A large group from Classical Glass Club were also present. A total of eighty five cars made the trip to Sun Peaks.

We were resting for an early breakfast prior to the 8 am parking of cars in the village for the car show. Unfortunately, the hotel fire alarm went off about 4:15am sending everybody out in the parking lot into 50° night air. Some poor folks were out there in bath robes and bare feet watching the firemen hooking up their hoses. After awhile some of us wandered over to an adjacent hotel and settled in their lobby until 5:30 when we got the all clear to enter our hotel. All this time we kept looking for Gene but never found him in the sea of flashing cameras and red lights on the fire trucks. He never heard the alarm and slept through. Kind of scary. There never a fire but only a malfunction in a sprinkler system.

Suddenly it's 9 am and we are moving cars into the village for the "Show and Shine" under a blue/sunny mountain sky. As usual Byron won the C5 convertible class. The evening dinner banquet was very nice and

exciting anticipating seeing who was the winner of the \$500 grand prize. The winner was determined by a reverse draw of entry registration numbers. All us were eliminated early. It got real exciting for the last five numbers. Two of these offered to sell their number for \$100. When it got down to three, somebody bought in for \$100, but lost when that number was next eliminated. All of us had a great time.

CMCS General Membership Meeting Minutes

September 15, 2012

Mukilteo Lodge, Mukilteo, WA

by Jan Harris

The meeting was called to order at 1:20 pm by President, Stan Trask.

Fall Adopt-a-Highway Cleanup Session
Sunday October 28, 2012 - 9:45 am to Noon

CMCS Coordinator: John Thomas
(425) 747-0431 or John@CorvetteMarqueClub.com

Volunteers needed. Please call or e-mail John

We have chosen a slightly early date for our fall cleanup this year in consideration of various schedule items. We have expectation for relatively good weather and the highway should need cleaning again.

CMCS has maintained a section of I5 Southbound from the King/Snohomish county border to NE 175th St. for 14 years now as part of Washington State's Adopt-a-Highway program. The sign to announce this fact is in place on I-5.

We gather at 9:45 AM at the Metro Transit North Base in Shoreline for a briefing and preparation. Parking here is easy and safe.

John Thomas will give you additional directions when you contact him to sign up. We do need RSVP for planning and coordination. You will be provided reflective vests and safety helmets. Cleanup workers get to keep any item of value found along the highway.

Laps From the Past or “Marque in Time”

A CMCS history feature by Ben Benninghoff

40 LAPS AGO: October '72. The president got the monthly meeting started following dinner at the Asia Garden Restaurant in Lynnwood. The Treasurer gave a report noting a monetary loss with the recent NWACC Autocross & Concours event, but, there was a positive result with the past 4th of July Autocross. WWSCC reported there will not be an autocross at Sand point, but, a 5-hour rally will be held in

October. NWACC noted their Annual Awards Banquet is scheduled in Tacoma in November. A rally will be held before the dinner, as well as an officers meeting. Club activities highlighted were a tour to Leavenworth and a Halloween party for the month. It was decided due to lack of interest & shortage of time for planning, not to host our club's annual rally in November. It was suggested that we participate in WWSCC's Rally and donate trophies to our winners. Ron McDuffie is looking for suggestions where to have out Christmas party; suggestions received so far include the Windjammer, Thunderbird, Sorrento Hotel, and, the Elks. Ron noted that dinner at the Washington Plaza is reasonable at \$8.50 a head, but, we could not bring our own champagne. Also, since the Christmas party will coincide with our 10th Anniversary an effort should be made to invite past-members who still live in the area. Dee Esping was looking for suggestions for programs. An order for more car badges was needed as the current supply was low then. Frank O. noted he needed two more cars on the 20th for a local homecoming game. Jeff Weymouth read some correspondence received from other clubs, and, the board officers will discuss purchasing club walkie-talkies for future tours.

30 LAPS AGO: October '82. President Noreen Millen conducted the monthly meeting at the Casa Lupita Restaurant. The Treasurer, Joyce Bear, noted the balance sheet is available from the recent Drag Race at SIR for those with a need to know. NWACC held their annual end of year banquet in Olympia, and a motion was passed to continue our membership with NWACC for the coming year. NCRS will host a Swap Meet in Chehalis in January; there will be a

meeting the night prior to the Swap Meet, with an installation of new officers. Membership chair Todd resigned his office; Dee McDuffie agreed to take over until the new elections come around. Barbara Laskowski, Ken & Carolyn Martin, and, Don & Diane Stein were all accepted as new members (no mention of total membership noted- Ben). Valerie noted a letter from Bob Tunnell of SIR resigning, and Jim Rockstad will be taking over. Club activities noted outings to Snoqualmie Falls for a brunch, practice sessions at SIR, and, a Halloween party at the Shelley's. It was moved & passed to forward a gift certificate from the club to the Bailie's Memorial Boy's Ranch. Windbreakers & Windsocks were still available at club events. Keep collecting aluminum cans for the club. A nomination committee needed to be formed to collect names for the upcoming board officer nominations. They also needed someone to make car badges.

20 LAPS AGO: October '92. President Bob Lazaroff got some semblance of order after the wonderful October-fest feast supplied by all attending the festivities. The club 'assumed' there was still \$50 in petty-cash and we were still solvent as Gary was not able to attend. Adele & Kirby (?) were welcomed to the membership rolls, then at 97 paid members. There was a Pumpkin Run prior to the Halloween party. Next year's Wet Weekend was still in the planning stages. NWACC will be holding its annual installation officers for the coming year next month. Insurance issues through NWACC will be discussed at the next Board meeting. WCCC held a rally; beginning at Northgate. Investigation into purchasing club two-way radios was being pursued by Cloyd Jackson. Santa's Helpers requested the membership call on the 'rat-line' with suggestions for Santa's sack (i.e. For our newest members benefit- appropriate Corvette related 'jokes', etc.) The meeting broke up with the majority of those attending Bob & Sandy's Oktoberfest fair, for another round of the same.

10 LAPS AGO: October '02. Frank & Mary Standfield's 2001 C5 Magnetic Red Coupe was featured on the OYM newsletter cover. During an oil change at a local dealership, Mary said to Frank; "You got to look what's on the showroom floor!", thus turning an oil change into a purchase of a brand new Corvette. President Dennis Montgomery met the 46 early risers at the Old Country Buffet in Kirkland, for a morning meeting. Guest speaker, Dan Fernandez, of Sunrise Detailing in Marysville, gave a talk on 3M Scotchal Paint

Protection Film their facilities installed to minimize rock chips, bug damage, and weathering that has a 7-year warranty & cost of \$500. New member accepted into membership was Lyal Schlotterbeck, bringing the total to 283, with a couple of other prospective members attending. Dave Rayner received a CMCS membership as a retirement gift. Apparently food remains an important commodity to entice new recruits to club events. There was an "all you can eat" crab feed at the Big Lake Bar & Grill along with a Halloween dress up theme that all attending had a good time. Next month's annual Turkey Feast & Baked Goods Auction & general membership meeting will be held at the North Kirkland Community Center. The annual Christmas party was scheduled in December at the Golden Steer Restaurant in Kent, and, next year's Wet Weekend had been secured in Ocean Shores in February. The annual NWACC Year-End Banquet will be at Fort Lewis next month. WCCC reported hearing that two of the Harold LeMay buildings have been condemned that house a large collection of cars, and WCCC is attempting to assist the LeMay collection, and will discuss details how best to help them at their next meeting in November at the Round Table Pizza in Overlake. Ben Benninghoff, chair of the Dee Ann Esping Charity Committee, reported that the club will assist the Lake Vue Garden Care Center and two families through the Deaconess Children's Services for the upcoming holiday season. Another annual charity project is our support of the GM ASEP tuition at the Shoreline Community College where we provide financial support for one quarter to a deserving student, who is selected by the school's GM automotive head technician & teacher; Scott Main. Lorrie Montgomery noted next month will be the first start up meeting in organizing the 40th Anniversary project and was open to all who wished to volunteer, or just curious to hear of the plans in work. Paul Luczyk was the club's new chairperson of the Adopt-A-Highway committee, and performed their first clean up in October. Dennis reported on the Issaquah parade and the lunch following at Bloom Park. Gary Main gave a report on a wrap-up meeting that was held at Lorrie Montgomery's business place in Kirkland. As well, Rick Milsow did likewise concerning a pre-planning session at the same time covering the 2003 School Daze event at PIR. Rick also mentioned a very successful outing from last month's Cascade Loop overnighiter that saw 45 Corvettes participating. Next year was being scheduled for the same time frame, and promised an earlier dinner to allow for other activities

in the evening. Cassie Black reported the Turkey Feast & Holiday Bake Auction was scheduled next month and noted for those in attendance that the hall did not allow alcoholic beverages on their grounds, and reminded all that this is the major fundraiser for the Charity committee of the year to support our club's community outreach projects. Ben Benninghoff & Gary Main were in the process of creating a cd with over 300 pictures from the recent SIS II event; cost was under \$10 each, and will take orders in the near future.

5 LAPS AGO: October '07. Rush & Kay Youngberg's 2000 C5 Magnetic Red coupe graced the OYM newsletter cover. Seems there was an open space in the garage calling to be filled by a Corvette, and being good parents they welcomed the bright and shiny Corvette into their home. President Kevin Jewell got the meeting started in between appetizers and barbecue at John Henderson & Genie Holt's home on Cougar Mountain. There was also a dance after the meeting concluded. Kevin reminded all of the proper way to pronounce "Marque", and thanked John & Genie for opening their home to the membership. VP Wayne Kanaby gave a brief talk about the upcoming board officer elections. The club has sold 4 UHF 2-way radios so far at \$195 each, and has one on hand at each club event for purchase. Debbie Hogan became the newest member to join, bringing the total to 305. Chris VonRavensberg noted next month's Thanksgiving Dinner & Charity Auction, and, there will be a combination of live as well as a silent auction this year on the items collected for bidding upon. Vince Perriello from the National Corvette Museum, and club member, will be attending our Christmas party in December. At our November meeting Tom Hill, the lead engineer for the Ron Fellows cars will be attending the meeting at Lee Johnson Chevrolet in Kirkland to repair two club member's Ron Fellow Corvettes. Mr. Hill agreed to conduct a Tech Session on the same date for all members interesting in attending. Lois Kanaby will be heading the Wet Weekend committee, while the Armstrong's have volunteered to lead the tour.

Motorsports Park Track Designer Announced

The National Corvette Museum has selected a track designer for the future NCM Motorsports Park. Steve Crawford, an architect and planner in the Seattle area, is no stranger to track designs. His first track opened in Colorado nearly 40 years ago, while his recent design work includes The Ridge Motorsports Park in Shelton, WA and Thunderhill Motorsports Park in Willows, CA.

"We are excited to begin working with Steve, but fundraising is still the top priority for us," Executive Director Wendell Strode said. "To date, we've raised nearly \$1 million through our 'One Acre Club' campaign, but we still have a long way to go. Every little bit helps make this dream a reality." Corvette KidZone Now Open!

On Thursday, August 30 the Museum held a ribbon cutting for our newest exhibit space - a Corvette KidZone.

The KidZone is approximately 1,000 square feet and includes many hands-on activities for kids, including Pat's Super Service Center where they can change the tires on a mini car, fill up the washer fluid

and antifreeze, change the license plates, and lay on a creeper to check under the car. Other hands-on activities include a Just-In-Time assembly line, 50s diner, Corvette drive-in movie, tourist rest area and much more.

The new KidZone is located within the Nostalgia area of the Museum, just behind the Mobil Gas Station at the end of Route 66. It is open during regular museum hours and is included with admissions.
