

CMCS Tour- Storm the Lakes (June 2023)

We borrowed some of this tour from Avants, a multi-marque club. We eliminated a couple of short sections as they had dangerous turns, and reduced the length.

Starting Location: Target at Lake Stevens Station, 906 Market Place. Nice parking lot and restrooms just inside the entrance to the left. Tour is little of 60 miles and will take about 1 hour 45 minutes. There is a restroom at the start and another stop about 1 hour later. The intent is to finish in downtown Monroe at Ixtapa Restaurant (19303 State Rt 2). Assuming enough people they have a nice back room. There is also a newly paved parking lot on the back side of the restaurant You will have been on some of these roads, but probably not all, but we will be typically going in the reverse direction from prior tours.

0.0 Right out of Target.

0.1 Left onto Highway 9 South.

1.8 Straight at the roundabout.

3.3 Left on Bunk Foss Road at light. (Highway 2 Westbound will go to the right).

4.4 Left on Old Machias Road at stop.

5.1 Left on South Machias Road at stop.

8.1 Right on Old Mill road (Union 76). Wait for a couple miles and the road opens up. Enjoy the turns.

15.9 Veer left onto Robe Menzel Road. We will soon be in a tree tunnel.

16.0 Left at stop.

As we approach Granite Falls, watch the speed limits.
